

Ever Emptiness

The new single from Synoiz

The third promotional single to be taken from the debut instrumental electronic album *Ambients*. *Ever Emptiness* shows a much darker side to the album casting a glance to more industrial influences such as Nine Inch Nails and gothic leanings such as Bauhaus and Fields of the Nephilim.

Including the specially written B-Side *Silhouettes* the single will be released as a 2-track digital download worldwide on April 12th 2010 from all good providers including Amazon MP3, Play, HMV and iTunes.

Synoiz is an electronic soundtrack artist from the north east of England. His debut album *Ambients* and first two singles *Long Lost...* and *Getting Safer* were released in 2009. Further details can be provided on request.

Tracklisting:

1. Ever Emptiness (Album Version) (3:41)
2. Silhouettes (10:00)

To promote the single a music video produced by *Synoiz* and local company *12 Foot Beast Productions* will be made available to watch nearer to the single release date.

Release date: 12th April 2010
